To Whom It May Concern;

During my tenure as principal of Northern High School I have had the pleasure of meeting and working on some projects with Mrs. Marilyn Beverley.

Mrs. Beverley was involved with us in a parent committee addressing social equity, she met with the Governor with a group of students , helped us establish and assisted with a student group, the UNITY Council, and participated in our first ever Challenge Day.

Mrs. Beverley gets things done, always offers to help, and has some wonderful insight on issues dealing with people. I would certainly recommend you invite her to be on your team or committee or as an employee. She will be a valuable asset working with any organization.

Please contact me if I can be of further assistance in your quest to get to know Mrs. Beverley.

Sincerely,  
Craig Dahlke  
Principal, Northern H.S.
