LETTER OF RECOMMENDATION

I wish to recommend Rev. (Mrs.) Marylyn Beverly as a woman of God with a great heart for Missions.

On behalf of Temple of Praise Ministries' women ministry I dole out to her our heartfelt appreciation for availing herself as a vessel to be use of

God to bless us during our National Women's Convention 2006.

As the main speaker for this year's national convention, she left behind irrefutable footprints of city-transforming messages.

Our contact with her for the past Two years have had a great impact on the ladies on the church named above.

Her message on the convention theme: "Maximise your potential" was a life changing one. Our ladies have been motivated immensely by that encounter with her.

I believe, if people of Rev.(Mrs.) Beverly's kind are financially resourced and given the opportunity to deliver, missionary work in the world would have been half solved by now.

I wish to highly recommend Rev. (Mrs.) Marylyn Beverly for any assistance, appointment or engagement she needs from your outfit.

Yours In Her Service

Mrs. Christiana Adu-Kyeremeh
(National Women Organiser)
