Marilyn,

Glad that you made it home safely. No rest for me yet. Trying to get my home in some order now that the carpet is in. Tom is in Greece and will be back next Sunday and I will leave Monday for our first state board meeting for 2007.

The group loved you!!! I will be providing you an evaluation report as soon as I can but the feedback was overwhelming.

Yes, the address is the Tarpon Springs one on the back of the card. Just send it to me and I will take it to the board meeting and send you the check ASAP.

Thank you for making our meeting so special and everyone loved the WOW!!!

Debbie
